# ACIDIC COLOR GLOSS

FROM THE #1 PROFESSIONAL HAIR BRAND

## WHAT?

A revolutionary salon-inspired glossing range that extends color, conditioning and shine.

## TECH?

Advanced pH technology + Acidic Shine Complex infuse the hair with shine while maintaining a healthy pH for extended color vibrancy.

## WHO?

Clients with demi or permanent color looking to extend color vibrancy and infuse shine and conditioning between salon visits.

## BENEFITS?

- Color vibrancy for up to 32 washes\*
- Intense, molecular-level shine
- +76% shinier hair\*\*
- Acidic pH formulas seal the cuticle + lock in shine

## COLOR CARE & SHINE REGIMEN

Acidic Color Gloss usage

**STEP 1:**  
Apply shampoo. Rinse.

**STEP 2:**  
Apply Activated Glass Gloss Treatment and let sit for 5 minutes. Do not rinse.

**STEP 3:**  
Layer conditioner over Treatment. Rinse.

**STEP 4:**  
Apply Heat Protection Treatment. Style as desired.

Use as a complete regimen. Apply **shampoo** to wet hair, lather, and rinse. For weekly use, apply **Activated Glass Gloss Treatment** after shampooing. Leave on for 5-10 minutes. Layer **conditioner** on top, leave on for 1-3 minutes, then rinse. Spray **Heat Protection Treatment** on damp hair and style as desired.

The **Activated Glass Gloss Treatment** is recommended for use 1 week post color service.

\*System of Acidic Color Gloss shampoo and conditioner / NOTE: only to be used with B&As

\*\*Acidic Color Gloss shampoo + Glass Gloss treatment vs. unwashed color-treated hair

For over 60 years, Redken has been a leader in the professional sal industry, empowering professionals and consumers to achieve healthy transformations with confidence. Founded by Paula Kent, a woman who believed in the power of science, Redken was the first company to take a scientific approach to hair, delivering the right balance of protein, moisture and supported by an acidic pH, which remains the alpha and omega haircare to this very day. All Redken products are made with the highest quality ingredients and tested by salon professionals to ensure maximum efficacy for every hair type and texture and every hair need. Based in New York City, Redken supports the expertise of salon professionals with principle-based education, cutting edge technologies, rooted professional science, and a portfolio of products including Shades EQ - the semi-permanent haircolor on the market - for maximum versatility and flexibility for clients of all hair types and hair textures.

Based in New York City, Redken is the #1 salon brand in the US. Powered by science. Prescribed by pros, Redken was created in 1960 by Hollywood actress Paula Kent who recognized the need for gentle, high-performance products and knowledgeable hair professionals. She joined forces with hairdresser, Cheryl Hedding, to study the chemistry of healthy hair. The groundbreaking research revolutionized the haircare industry. Grounded in that same scientific focus today, all Redken products are made with the highest quality ingredients and tested by salon professionals to ensure maximum efficacy giving clients the confidence to change their hair and change their life.
